

DAVID DOLAN SPEAKS ON CURRENT EVENTS IN THE MIDDLE EAST – THE COMING WAR

January 21, 2007

David Dolan was our guest speaker at Calvary Church on Sunday, January 21, 2007. His [morning message](#) was a very insightful update on the current status of Israel's internal and external political and military threats, including how they relate to Bible prophecy.

Following the service, David graciously offered his time to our congregation for an impromptu [question and answer period](#).

Both of these sessions (each about 75 minutes long) are posted for free download at our Sermons Archive link. Just go to Sermon archives, then topical MP3, then scroll down until you see the titles of David's teachings (*Israel on the Brink - By David Dolan (Jan 21, 07)* and *David Dolan Questions and Answers about Israel*). Or you can click on the hyperlinks above and listen on your MP3 capable browser.

Also, you can order CDs or DVDs of these two teachings by contacting the church office. Cost is \$8.00 per set, including shipping.

We are thankful to Jesus for how he used David to encourage our congregation and we pray that his teachings will also bless you. Remember, Jesus is coming soon, are you ready? If not, please contact us so we can share the truth of the gospel and pray with you.

Sincerely,

Kevin Lea – pastor, Calvary Church of Port Orchard
